ABOUT US

The America's 250th Norwich CT Committee was established to commemorate the 250th anniversary of the American Revolution and Declaration of Independence by celebrating the greater Norwich area's vital role in shaping our nation's founding ideals.

Our mission is to highlight the region's revolutionary history and honor the often-overlooked contributions of Indigenous peoples, African Americans, and immigrant communities from 1775 to 1783 through inclusive, educational, and engaging programming.

The America's 250th Norwich CT Committee is a collaborative effort made up of representatives from: Norwich Historical Society, National Association for the Advancement of Colored People (NAACP) Norwich Branch and Youth Council, Society of the Founders of Norwich, Greater Norwich Area Chamber of Commerce, Daughters of the American Revolution (DAR) Faith Trumbull Chapter, Slater Memorial Museum, NFA, Norwich Public Schools, Integrated Day Charter School, Otis Library, and Veterans' Groups.

With your support, we can bring this rich history to life and create lasting community impact through events, exhibits, and educational initiatives.
